Old and New Business

We would like to congratulate Commissioner Gosch for his upcoming birthday next week. He will be 82 years old.

Brenda Kraus has retired so we are searching for a replacement to handle Human Resources with an additional task of IT coordination. She will be greatly missed. Also staff related, we have promoted one of the maintenance staff to a superintendent position. This will allow maintenance to be more centralized like is was in the past.

The White House has put forth a preliminary budget that would cut the Public Housing

March 14, 2019
significantly and reduce the Capital Fund to $0. The Section 8 Admin and HAP Payments would remain the same in this proposed budget. At this time, we need to reach out to our Senators expressing our concerns over the cuts to these very important programs.

We are investigating solar energy and researching the Rental Demonstration Program to see if either of these programs would make sense for us to pursue.
